Product Description

Scaffolding System Ladder Silver Scaffolding Climbing Ladders For Customized Requirements

Product Description:

Scaffolding Ladders are a versatile and essential tool for any construction, maintenance, or DIY project that requires working at heights. With its sturdy aluminum/HDG material, impressive load capacity of 150kg, and sleek silver color, our Scaffolding Ladders are designed to provide you with the perfect balance of safety, durability, and convenience.

Product Features

Portable Design: Our Scaffolding Ladders are designed to be lightweight and compact, making them easy to transport and set up at any job site. They are perfect for both indoor and outdoor use.

Multiple Ladder Types: We offer a range of Scaffolding Ladders, including Step Ladders, Extension Ladders, and Platform Ladders, to cater to different project needs and requirements.

Adjustable Step Height: Our Scaffolding Step Ladders have a step height of 30cm, providing you with a comfortable and safe working height for various tasks.

Heavy-Duty Material: Made from high-quality aluminum/HDG, our Scaffolding Ladders are built to withstand tough working conditions and support heavy loads, ensuring long-lasting use.

Easy to Use: Our Scaffolding Ladders come with simple and user-friendly features, such as slip-resistant steps and safety locking mechanisms, for hassle-free and safe operation.

Warranty

Our Scaffolding Ladders come with a 2-year warranty, giving you peace of mind and confidence in your purchase.

Applications

Our Scaffolding Ladders are suitable for a wide range of applications, including but not limited to:

Construction and renovation projects

Maintenance and repair work

Painting and decorating

Electrical and plumbing work

Warehouse and industrial use
